Dear Parents,

It is with a heavy heart that I write my last letter to you. A few weeks ago, I was contacted by a principal search committee from St. John the Baptist Catholic School. I know this parish and school well. Several years ago I served as their assistant principal and computer teacher. This is the same parish where my wife and I were married and my sons were baptized. As recent as yesterday, I accepted the position of principal at St. John the Baptist Catholic School in Milwaukie, Oregon. This new chapter provides many new opportunities and challenges for us all.

I bid you all farewell. It has been my sincere honor to serve your children and this community over the year. Many of you have extended yourselves in hospitality to me and even to my family on various occasions – such is the mark of a loving community. I pray that my efforts to share some hospitality with you and for you have not gone in vain. Farewell St. John School.

In Christus,

Ted Havens, Principal

MENTOR AN INCOMING FAMILY

The PSA has started a Welcome Committee for new families! We need your help - if your family would consider mentoring a new family, please email Laura Carpenter at carpfenton@aol.com. This will involve being in touch with them from July through the beginning of the school year to help with any questions. We'll have a checklist of everything we'd like the mentor family to cover. We hope this is a great way to show new families how much we appreciate them here at St. John and welcome them to this great community!!

SAVORY NOTES

Parents! Please check to see the number of lunch tickets your child has for this school year. We DO NOT refund any money for lunch tickets that have been purchased for this year and not used. This year's tickets cannot be used for the next school year.
