***CHANGE IS WELCOME***

*The Auction is critical to the School's fundraising efforts, serving as the single largest fundraiser. The Committee is working to find new ways to improve the Auction, keep costs low, and make it an event everyone can enjoy. Your ideas and suggestions are needed and welcome.*

*Last year, we switched to a new Auctioneer. There were comments from those who loved him and those who did not, however, the switch saved several thousand dollars. While we realize there may not be a single way to make everyone happy, there are many ways to improve the event. **PLEASE make you opinion count.** Call or email with your comments and improvement ideas. Join a committee! We are looking for new and creative ways to make this a fun and successful event.*
