## Educational Foundation Tree Lighting

A recent tradition added at St. John School is the annual tree lighting ceremony in December. The St. John School Educational Foundation started this tradition in 2003 to recognize all the donors for the calendar year. The 2009 tree lighting will be held on Friday, December 11 at 2:30 p.m. and all school alumni are invited to attend.

The Educational Foundation, which was

revitalized in the mid-1990s by then-principal Sr. Patricia Fischer with the help of parents and staff, meets monthly to conduct business aimed at providing long-term financial support to St. John School. Donations to the Foundation have resulted in over \$280,000 in principal, and the interest is used to provide funding to St. John School.

All alumni are encouraged to support St. John School through the Educational Foundation. For further information, please contact the school at (810) 629-6551.
